IMPORTANT PAYMENT INFORMATION

- It is important to use the remittance stub and envelope provided since both contain computer encoding that will help ensure prompt and accurate posting of payments. Always include your loan number on your check or money order. However, should you not receive your statement, DO NOT DELAY PAYMENT. Simply write your loan number on your check or money order and mail to the payment address as provided in the **Contact Information** section below.
- Do not send cash or correspondence as this could delay processing. Correspondence should be sent to the address provided in the **Contact Information** section below.
- Please be advised that if your account is delinquent or if there are fees and charges due, your account may not be paid ahead nor may principal reduction payments be applied. When Mr. Cooper receives a remittance that is in excess of a payment amount, that excess is applied to your account in accordance with a predetermined sequence: 1) Principal and Interest due; 2) Applicable Escrow amounts; 3) Fees and other charges assessed to your account. Once this sequence has been satisfied, you may give specific instructions as to how you would like excess amounts to be applied to your account by noting your preference on the face of your remittance stub.
- Any lump sum received that is not accompanied by a payoff quote will be applied according to our standard payment application rules. This will not result in satisfaction and reconveyance/release unless amount tendered satisfies all amounts due and owing on the account.
- A Schedule of Fee for Select Services may be found on our website at www.mrcooper.com.
